Morsels of info from the Western District Conference Resource Library
May 13, 2009

Here is what is new for May, 2009!

Multi-Sensory Prayer Labyrinth - I experienced this first hand on Maundy Thursday and really loved the way I could touch, taste, move, listen and write about the way I was experiencing God's presence. Explore what is available from us and a local congregation by going to: www.mennowdc.org/PrayerLabyrinth.pdf

Prairie Tales Summer Reading Program and Story Time. For the first time ever, we are sponsoring a Summer Reading program for ages 3-12 along with a Story time for ages 3-8 See the full brochure at:
www.mennowdc.org/SummerReadingProgram2009.pdf

Environmental Books - we have dozens of books on caring for God's creation - for study groups, for children, for adults. Simply search Environment at www.mennowdc.org/Library.html - our on-line catalog - and see what piques your interest. Summer is a grand time to read, think and experiment with creation care.

There is always something new at the WDC Resource Library!
