Thankful dreams...

What numerous things we have to be thankful for—beautiful fall surroundings, a healthy staff, caring volunteers! But we are always dreaming of how to make your experience at Camp Mennoscah better. Listed below are some things that make life easier at camp. Contact Camp Mennoscah at 620-297-3290 or campmno@mennowdc.org for more information.

Mennonite Voluntary Service Workers (2)

We adore the ones we have, but their terms of service end at the beginning of June 2010. We hope to have MVSers who would begin in September 2010 in the positions of Grounds/Maintenance and Office/Kitchen. Please pass the word along to anyone you feel would contribute to our camping ministry. We'd love to hear from them.
